"ONE DROP OF KINDNESS IN A LIFE HAS A RIPPLE EFFECT."

RIPPLE EFFECT

JCOK'S NEWSLETTER

Vision: Restoring lives and equipping individuals to fulfill their purpose and destiny in this present day that will impact future generations.

Mission: To become the most sought after remedial center for children and counseling center for men, women, children, and senior citizens in Texarkana, Arkansas - Texas and surrounding areas with an International affiliation.

Hello Partners and Friends,

We had a wonderful time at the JCOK Tug-of-War Throwdown!

We greatly appreciate our sponsors: El Chico's, River Valley Ingredients, Red River Lumber, Dream Lab Counseling, Whatley Sign Company, Southwest Title, Fresh Wind Photography, Tyson, and CTW.

The excitement and anticipation were palatable as everyone came together to set up the event. Those in attendance had fun enjoying the good food from Lasting Impressions Concessions food truck. The children really enjoyed themselves in the bounce house and playing basketball and tag. Congratulations to Team Tyson for winning the \$500 grand prize!

Every dime of the profits from the fundraiser will go towards minor repairs and scholarships for the E.N.R.I.C.H. (Educate-Nurture-Reach-Instruct-Coach-Help) Summer Program or for the E.N.R.I.C.H. After-School program. One of JCOK's goals is to help students financially when they graduate from high school whether its a vocational school, an entrepreneurial endeavor, or a collegiate higher learning institution. Although we are a community driven organization; without your support, JCOK could not exist to meet the needs of the community and that's why we are so grateful for your support.

We want to give a special thank you to the mayor of Texarkana, Arkansas, Allen L. Brown, and Ward 3 director Steven Hollibush. We were pleased to have Doneyne Smith from Texas A&M's the PATH Program and Cathie Murphy from Texarkana College's Health Science Division in attendance.

We hope the participation next year will be larger with double or triple the number of attendees. We know that this is a lofty goal, but with God's help, all things are possible (Matthew 19:26). Join us next year for a bigger and better Tug-of-War Throwdown. You can make it happen!

an amazing summer

by Caity Killian, E.N.R.I.C.H. Summer Director

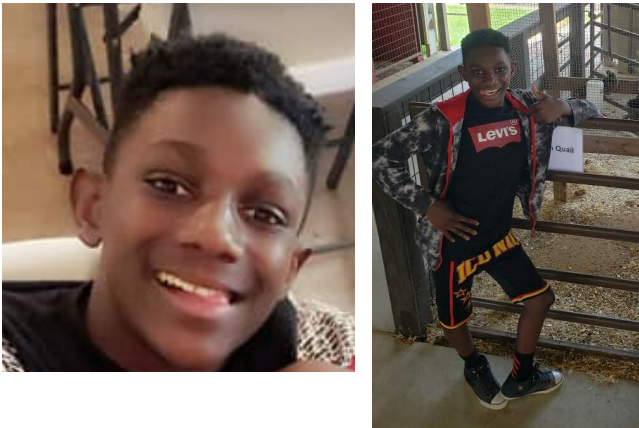

The E.N.R.I.C.H. Summer Program was intended to give the children leadership and life skills to prepare them with skills needed, not only in school but in life. They learned nutrition, etiquette, art skills, and team-building skills.

We had so much fun! From making salsa, learning how to set a table, to cheering other children on if they needed encouragement. We had various field trips from the splash pad, to the movies, bowling, and back to nature activities where the children enjoyed the animals. We walked through the neighborhood every morning for physical fitness occasionally doing yoga.

We experienced setbacks, but the children excelled. JCOK had an amazing impact on the children!
