Hello Partners and Friends,

We pen this letter with many thanks and grateful hearts for your continued support. We want to recognize and extend thanks to our many prayer partners, national and international ... your prayers are making a difference. We are committed to the calling from God on each of our lives, and it is truly a blessing to have *friends* as you partnering with us on this faith journey we have accepted from God.

The E.N.R.I.C.H. (Educate-Nurture-Reach-Instruct-Coach-Help) Summer Program 2018, exceeded all of our planned expectations. The community and parents were extremely supportive. *Thanks to Ms. Cathie Murphy who donated 30 backpacks filled with age appropriate school supplies for the children.* The parents and the children were thrilled by her thoughtfulness. [Jeraldine couldn't hold back her tears during the banquet.]

We also thank our extremely prepared, creative, and dedicated program directors, Ms. LaShundra Bradley and Ms. Charlotte Miller.

At Jamisons' Center of Kindness, Inc. (JCOK), volunteers are certainly our *friends*. They are an integral part of the whole in helping us meet the needs of our community and fulfilling our vision which is *"Restoring lives and equipping individuals to fulfill their purpose and destiny in this present-day that will impact future generations."* Since opening our doors, our list of volunteers continues to grow with individuals from Arkansas, Louisiana, Maryland, and Texas. This summer the 'Ozark Mission Project' from Ozark, Arkansas sent us 8-10 individuals a day for one week. We are a 501(c)(3) non-profit organization; we need and depend on volunteers. We honor and appreciate each of you for your service.

We could not do what we are doing without you. Thank you! Thank you! Thank you for helping us to help others!

Blessings,
T. Artis & Jeraldine Sanders

An Awesome Summer

Lashundra Bradley, the E.N.R.I.C.H. Summer program director, says this year's program was awesome. The highlight of the program for her was watching the youth form a bond with each other. The older kids started to notice the younger ones and would realize when they needed help. The other leaders and she did not have to ask them if they would go and help someone because they would automatically volunteer on their own. She watched children that were shy open up and blossom. The staff was wonderful and had the children's best interest at heart.

The program concluded with a banquet attend by the children, their families, and volunteers. The heartwarming presentation from the children ended with a moving rendition of "We Are The World."

A Big Act of Kindness

An especially big thank you to Rev. Milton Glass and the Southwest Arkansas Development Council board of directors for donating \$3,080 to JCOK. The money will be used to expand our programs to meet the needs of children in the community.

National Night Out October 2, 2018

Join us at the center for a night of fellowship and activities to make our neighborhood a safer, more caring place to live. National Night Out provides a great opportunity to bring police and neighbors together under positive circumstances.
