## THE RIPPLE EFFECT

### JCOK'S QUARTERLY NEWSLETTER

**Vision:** Restoring lives and equipping individuals to fulfill their purpose and destiny in this present day that will impact future generations.

**Mission:** To become the most sought after remedial center for children and counseling center for men, women, children, and senior citizens in Texarkana, Arkansas - Texas and surrounding areas with an International affiliation.

### Hello Partners and Friends,

He is risen! He promised us He would rise again!! As we celebrate is resurrection during this blessed season, we at JCOK give praises and honor to our Lord and Savior for His faithfulness and His love towards us. Because of His resurrection, we all have a more abundant life as we continue to do the work He has called each of us to.

During this season of thanksgiving we are thankful to our friends and partners for their support through prayers and financial blessings. The work and impact JCOK continues to have in Texarkana, Arkansas and surrounding areas could not be done without your financial support and your trust in the vision that has been put before us. Your donations help with the vision and the mission and you are helping us to make a difference. The ripple effect is going out all over Texarkana, Arkansas, Texas, and surrounding areas.

Thanks to everyone for the overwhelming positive response to our first "Ripple Effect" newsletter sent last quarter. We are open to feedback. We want you to be a part of the "Ripple Effect" newsletter. Let us know what you like, other ways to improve, articles you want to see, and what you want to know more information about.

E.N.R.I.C.H. Summer  
New Board Member

This year 2018 will be an expansion year. We are increasing enrollment for the E.N.R.I.C.H. Summer program and E.N.R.I.C.H. after-school program. We have purchased another lot for the JCOK Counseling Center and GOD blessed us with another lot from a supporter and visionary for the Counseling Center. We give thanks to GOD for the expansion of two additional lots for the ministry.

We would like to welcome Lian Karmout to our board of directors (see more information about Lian on page 4). Additionally, I give praise and honor to GOD for the faithfulness and diverse giftings of our board of directors. This great team completed and submitted a major grant in less than 30 days that we have claimed for our children, our families, and our community here in Texarkana, Arkansas and surrounding areas.

At this time I also would like to thank those that have joined us on this journey and I am thankful to GOD for those who have yet to join us to restore lives that will impact future generations. It is my belief that you will be repaid for your faithful support and partnership with JCOK. I trust that all the mothers had a wonderful Mother's Day. We wish blessings upon the fathers as leaders of their home and fathers for their children for Father's Day coming up on June 17th.

Blessings,

Jeraldine J. Sanders, Executive Director

## Acts of Kindness

Thelma McMillan has given every month since Arkansas Gives in April 2015. A special thank you to Robert Moore for his contribution to the vision. Thank you Thelma and Robert for your faithfulness.

SPOTLIGHT  
**Quantavion**

Quantavion is eight years old and a third grader at Trice Elementary in Texarkana, Arkansas. His favorite subject in school is math and he received four awards at school: Excellent Conduct, Music, A/B Honor Roll, and Most Improved. When he grows up he wants to play the cello in an orchestra. Quantavion has attended E.N.R.I.C.H. for two years and he likes coming to E.N.R.I.C.H. to learn and have fun. Sharron, his grandmother, says she has seen his grades enhanced and his growth socially as a result of the program. Sharron commends E.N.R.I.C.H. for providing a safe haven for children to learn, have fun and reach their maximum potential.

**Keeping History  
Alive**

E.N.R.I.C.H. kids celebrated Black History Month by learning biographies of influential African-Americans and ended February with a Black History Month presentation. In January the children reflected on the life and legacy of Martin Luther King, Jr.
